The Company bears the entire amount of the premium for the insurance contract. Meanwhile, as a measure to ensure that the insured should not be demotivated to

appropriately execute his or her duties, the insurance contract does not cover compensation for damages arising from an event where the insured has unlawfully received personal benefit or advantage, or arising from a criminal act of the insured or any act etc. performed by the insured while he or she is aware that such act etc. constitutes a violation of laws and regulations. If the appointment of Mr. Makoto Uchitomi is approved and he assumes the office as director who is an Audit and Supervisory Committee member, he will be the insured party covered by the said insurance contract and the Company intends to renew the contract during his term of office.
